

SHAPE America Field Test Trainings

To prepare for the Spring 2018 online SHAPE America Health and Physical Education Field Tests, the American Institutes for Research (AIR) will be offering system trainings. The presentation notes will be posted to the [SHAPE America portal](#) within two business days after the live trainings.

Topics

Test Information Distribution Engine (TIDE) for Technology Coordinators: This presentation includes details of the Test Information Distribution Engine (TIDE) Interface that you will use to manage teachers accounts, add students participating in the online Health and Physical Education field tests, and create optional rosters for reports. Technology Coordinators are encouraged to attend.

Test Administrators Field Test Overview: This presentation includes details of the Test Administrator (TA) Interface that you will use to administer the online Health and Physical Education field tests. School and District Test Administrators are encouraged to attend.
